

**Studies for Chapter 2, Part 1**

The same method as in the previous week will be applied.

Mandatory reading: Overview over Hardware, Chapter 2.1-2.5, pages 14 – 54

<b>Group 1</b> <b>Michael Cichon</b> <b>Lisa-Marie Schäfer</b>	<b>Group 2</b> <b>Frank Tiemann</b> <b>Dominic Wanrooij</b>	<b>Group 3</b> <b>Jan Steffen</b> <b>Florian Wiegemann</b>	<b>Group 4</b>	<b>Remarks</b>
F 2.1	F 2.3	F 2.6	F 2.7	
F 2.10	F 2.12	F 2.16	F 2.21	
F 2.22	F 2.27	F 2.29	F 2.30	
A 2.7	A 2.12	A 2.16	A 2.9	Written homework
A 2.13	A 2.17	A 2.18	A 2.19	Written homework
A 2.27	A 2.28	A 2.31	A 2.30	Written homework

Phase 1: self study phase (has to be accomplished before Wednesday of Lecture Week 2)

- Work through respective book chapter
- Prepare Answers to Questions (F 2.x)

Phase 2:

- On the Minor day (wednesdays), each student gives a short (oral) presentation about the assigned F-topics. The presentation should not be a read out of pre-formulated sentences, but a freely held presentation based on some notes.
- The F-topics of lecture week 1 will be presented in lecture week 2, and the f-topics of this assignment sheet (chapter 2, part 1) will be presented in week 3
- Develop (written) solutions to the assignments (A 2.y) of this assignment sheet, and upload it to N@tschool into the respective group folders. Please remind the file names, e.g. **ecom-grp2-w02.pdf**) which have been explained on the assignment sheet of last week in more detail. **Deadline:** Friday 24:00h of Lecture Week 2.
