Phase 1: self study phase (has to be accomplished before Wednesday of Lecture Week 8)

- Work through respective book chapter
- Prepare Answers to Questions (F 5.x)

Phase 2:

- On the Minor day (Wednesdays), each student gives a short (oral) presentation about the assigned F-topics. The presentation should not be a read out of pre-formulated sentences, but a freely held presentation based on some notes.
- Develop (written) solutions to the assignments (A 5.y) of this assignment sheet, and upload it to N@tschool into the respective group folders. Please remind the file naming, e.g. **ecom-grp2-w08.pdf**) which was explained on a former assignment sheet in more detail.  
**Deadline:** End of Lecture Week 8.
